

## **ANNUAL REPORT**

Hon'able members of School Management Committee, respected Members of Parents Teachers Association, Media friends, special invitees, parents, colleagues and dear children.

It is my proud privilege to present the Annual Report of the activities and achievements of the academic year 2020-21. As the great poet Hellen Keller said "Alone we can do a little, together we can do so much". Our school also has been sincerely striving hard together by providing right environment for the all-round development of the students. From the humble beginning in the year 1993 the school has now grown into one of the best schools in Palwal District. The school has a clean and green campus with an excellent educational ambience, and latest infrastructural facilities for all the students.

**Staff Position:** The school has a highly qualified and well-trained teaching Staff. Apart from them one Yoga cum NCC Instructor, one Sports teachers and one part time Taekwondo teacher are there.

**Teachers' Trainings:** Our teachers regularly attend online Capacity Building Programs organised by CBSE and other agencies. This year they attended Capacity Building Programs on different topics organised by CBSE and trained other teachers in the school. In-house trainings are organised from time to time to update them with latest changes also in the field of education.

### **School Instagram Link**

The school has started posting various activities of the school, achievements and important information on Instagram account. Parents and students can follow the school Instagram link to know the updates about the school.

### **Art Integrated Learning**

As per the CBSE guidelines, the school has started Art integrated learning for its all students starting from Class I to class XII. Learning through art enriches the experience of studying as well as it prepares students for life after school. Art integration helps in developing problem solving skills, motor skills, language skills, social skills, etc.

### **Co-Curricular Activities**

Under Co-Curricular activities many inter house competitions like Singing, Dancing, Painting, Quiz, Poster making, etc. were conducted during the Session to ensure the all-round development of students. Some of them are as follows:

#### **WORLD ENVIRONMENT DAY (5 JUNE 2020)**

As a part of Environment Day celebration, the students of class VI to XII participated in the competition organised by the ENVIS Hub, Environment and Climate Change Department, Haryana. The theme of the event was 'Social Distancing – The only way to avoid Corona Virus.'

The United Nations theme for the year 2020 was ‘Yoga for Health – Yoga at Home’, which took into account the social distancing measures announced by most countries. Students from class I to XII enthusiastically participated in the Yoga Day celebration.

### NEP 2020 - A Paradigm Shift in Learning

National Education Policy was approved by the Union Cabinet of India on 29 July 2020 which outlines the vision of India’s new education system.

We, at Golaya, always welcome the changes as we believe that progress is impossible without change.

We at Golaya, encourage ‘Activity Based Learning’ and extensive use of technology in teaching and learning which is one of the fundamental principles of NEP 2020.

At GPPS, learning is made an enjoyable experience and at the same time teaching life skills and inculcating core values are essential components of our teaching strategies.

### Inter-House Solo Song and Solo Dance Competition (5 August 2020)

The first cultural event of the session was held online with same excitement and enthusiasm. The theme of both the competitions was ‘Patriotism’. Students came out with beautiful renditions and performed with charm and elegance which made the online competitions memorable.

**Aryan-** Winner of Consolation prize in the Solo Song Competition at the State level held on the occasion of Bal Mahotsav 2020.

### Rakshabandhan

Rakshabandhan celebrates the love between brothers and sisters. It underlines the notion that everybody should live in harmony. The students of Class I to V participated in 'Rakhi Making' activity. The celebration of such festivals in the schools not only helps enhance creativity in children but helps in learning about Indian culture and traditions.

### Janmashtami

Dance-Drama enactments of the life of Lord Krishna are the major attractions of the Janmashtami celebrations. Little Kanhas and their adorable Radhas stole everybody's heart with their charm and innocence.

## 15 August – Independence Day

Patriotic Week was observed from 9 August 2020 to 15 August 2020. Students from Class I-XII conveyed the important message of patriotism and national spirit through different activities and online competitions.

### Details of the competition:

Students’ wholehearted participation was truly praiseworthy. Deserving students were rewarded for their efforts.

## 21 August – World Senior Citizen’s Day

21 August is observed as World Senior Citizen’s Day every year and the day aims to raise awareness about issues that affect the lives of older adults and to acknowledge their contributions to the society. Online Portrait Making Competition on the topic ‘My Ideal Senior Citizen’ was conducted to commemorate the day.

## 29 August – DWMUN (Delhi Public School, Whitefield, MUN):

GPPS has been sending its delegates with keen interest in current affairs and a desire to address issues concerning the world. Online MUN was organised by Delhi Public School, Whitefield, Bangalore on 29 and 30 August 2020. 17 students from our school participated in the MUN. Five fundamental committees having dynamic agendas to cover wide ranges of issues that go beyond the borders of our conventional thought were constituted and our students’ contributions were highly applauded.

## 5 September – Teacher’s Day

Teachers play a significant role in the lives of the students as they motivate them to pursue their dreams and to become better citizens. Golayans expressed their love and gratitude to their teachers by making beautiful cards and writing self-composed poems for their teachers. Kunal of VIII C and Mehak of VIII D paid rich tribute to the teachers through their melodious renditions. Online Speech and Card Making competitions were held and students’ participation was truly praiseworthy.

## हर्षोल्लास के साथ हिंदी दिवस का आयोजन

14 सितंबर, 2020 को गोलाया प्रोग्रेसिव पब्लिक स्कूल में ऑनलाइन हिंदी दिवस बड़े हर्षोल्लास से मनाया गया। इस अवसर पर हिंदी अध्यापकों द्वारा विद्यार्थियों के लिए विभिन्न प्रतियोगिताओं जैसे कविता वाचन, निबंध लेखन, कविता लेखन, नारा लेखन, भाषण आदि गतिविधियों का आयोजन किया गया। कोविड -19 संक्रमण के इस दौर में भी छात्रों ने अपनी सृजनात्मकता से समां बाँधा | अपनी मातृभाषा में अपने भावों को प्रस्तुत कर साबित कर दिया कि अपनी भाषा ही सर्वोपरि है।

## 2 October - Gandhi Jayanti

The students of today are the leaders of tomorrow. They are encouraged to learn from the lives of great leaders like 'Mahatma Gandhi'. Poster Making and Slogan Writing Activities were conducted on the occasion of Gandhi Jayanti. Students enthusiastically participated in the activities and they highlighted the principles of non-violence and truthfulness through their creative and artistic strokes.

**Kunal** of **VIII C** presented the song - '*Vaishnav Jan Ko*' in his sweet and melodious voice to pay homage to Mahatma Gandhi.

## 4 October - 10 October – Mental Health Awareness Week

Mental health is one of the most important aspects of life. Mental Health Awareness Week is observed every year in order to raise awareness about mental health and to mobilise the efforts in support of mental health and emotional well-being. Observation of the week became quite significant during the tough times of Covid-19 when students were stressed and anxious as they were adapting to a new system of online classes after the closure of the schools. Online Poster Making and Slogan Writing activities were conducted and students made informative posters to address mental health issues.

## 27 October to 2nd November – Vigilance Awareness Week

Integrity is the seed of achievement. The Central Vigilance Commission declared the observation of Vigilance Awareness Week to encourage fight against corruption. The purpose of observing the week is to generate awareness in the public at large about the ill effects of corruption. Taking a pledge can work as a 'pre-commitment' for sticking to goals. Teachers as well as students took e-integrity pledge to eradicate corruption and received e-certificates for the same.

## 10 October to 10 November - Online State Level Bal Mahotsav

State Council celebrates state level Bal Mahotsav every year. It aims at enhancing the creative potential of children by providing them various activities, opportunities and common platform to experiment, create and perform according to their age, aptitude and ability. It offers barrier free environment with immense possibilities to innovate and explore. Students participated in different activities and competitions enthusiastically. The results speak volumes of the potential of Golayans.

### 25 October - Dussehra

Mask making activity was organised for the students of Class I-V on the occasion of Dussehra to make them familiar with the unforgettable characters of the epic Ramayan. Children made Dussehra craft with great enthusiasm.

### In-service Teacher Training

In-service Teacher Training is a continuous process and practice in GPPS which promotes teachers' teaching skills and helps them master their subjects to make teaching more effective and interesting. Inservice Teacher Training, in fact, is a key factor in educational excellence. Our school always encourages in-service training for teachers as it is an integral part of the working of school, as a result of it, its alumni are shining in their chosen fields.

In-service Teacher Training played an important role during Covid-19 pandemic as it enabled the teachers to tackle the most difficult situation which occurred due to the lockdown.

### 31 October – National Unity Day

Rashtriya Ekta Diwas is celebrated to commemorate the birth anniversary of Sardar Vallabhbhai Patel, the ‘Iron Man of India’. The occasion provides an opportunity to re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity and security of our country.

Online Poster Making activity on the theme ‘Rashtriya Ekta’ was conducted to celebrate the day. Students took part in the activity with great passion and zeal.

### 14 November – Diwali

Diwali is celebrated to spread the message of hope and happiness. Our school gives due importance to the celebration of all the festivals in a safe and Eco-Friendly way. Online Card making, Diya decoration, Rangoli and Speech competitions were held at different levels to celebrate the festival and students were appreciated for their eager participation.

### 14 November – Children's Day

Children’s Day was celebrated in a novel way this year. Teachers recorded and shared warm and loving messages with their students to mark the day dedicated to them. Students presented noble thoughts of our first Prime Minister Pt. Jawaharlal Nehru in the form of speech to pay homage to the great leader who felt that children are the real strength of the country and the very foundation of society.

### 25 December - Christmas

Cute little Santas joyfully celebrated the day by making paper Santa. The activity helped them in improving their fine motor skills and enhancing their artistic competence.

### 15 December-30 December - Pre-board Examination

Through pre-board examinations, schools try to simulate the experience of writing board exams to give students the practice they require. Though, it was planned to conduct offline pre-board examination, the prevailing conditions did not make it feasible and online examination was held from 15 December to 30 December 2020 according to the rationalised curriculum and in the new pattern as devised by CBSE.

### Reopening of School

Schools reopened once the Covid threat was controlled a little. As school doors reopened by taking safety measures like hand washing, physical distancing, mask wearing and temperature checks were integrated into school life. Golaya Progressive Public School started regular classes for the students of Class X and XII after a long wait on 4 January 2021. Students were full of enthusiasm and their faces reflected more excitement than fear. The school authorities, teachers and security staff took appropriate measures and precautions to ensure safety of the students and staff members. Students were asked to bring medical certificates and parents’ consent letters for attending the

classes. All the students were asked to wear masks and carry their own essentials like sanitisers, water bottles etc. Students were really happy when they were united with their friends and teachers. The transition of being back to school happened peacefully and smoothly ensuring maximum safety for the students and the staff.

## **FIT INDIA MOVEMENT**

Our school celebrated the 'Fit India School Week' from 7 January to 12 January 2021 as per the CBSE Circular, to develop Sports Quotient among all the students to achieve a healthy life style and to inculcate physical activity and sports in their everyday lives and daily routine. The movement endeavours to alter 'passive screen time' of the students to 'active field time' so as to enhance self-esteem and confidence in students.

The school received Fit India School Certificate from CBSE.

## **24 January - Interstate Yoga Sports Championship**

Under the able mentorship of our Yoga Instructor, Mr. Naveen, our students again proved their mettle in the Interstate Yoga Sports Championship held at Dudhola on 24 January 2021.

The Yoga Champions:

Prashant- Class VII- First Position

Parth – Class X- First Position

Harish – Class X- First Position

Jatin – Class XI- Third Position

## **26 January – Republic Day Celebration**

Republic Day is a day to pay rich tribute to our great freedom fighters for fulfilling the dreams of a free nation that we are cherishing now. Instilling a true sense of patriotism in our students is the main focus of GPPS calendar activities. Keeping in mind the protocols to be followed, Republic Day 2021 was limited to hoisting the national flag in the school campus by the Principal in the presence of a few staff members. However, students were motivated to take part in the online Quiz, Essay and Poem Writing Competitions organised by the Ministry of Education in association with the Ministry of Defence.

## **ATL CORNER**

ATL or 'ATAL Tinkering Labs' are set up under the aegis of ATAL Innovation Mission, NITI Aayog. Its aim is to create an environment of scientific temperament, innovation and creativity among students. It helps to teach students essential 21st century skills which will help them in developing their professional and personal skills. Its purpose is to create a pool of talent that is 'future ready', by introducing and exposing young innovators to essential world skills, to get them to think out of the box and make something unique in the process.

### **BRICSMath+ Competition – April 2020 - May 2020**

BRICSMATH+ was organised by Atal Innovation Mission, NITI Aayog to stimulate students' mathematics skills. It came up with a new initiative to stimulate children for online learning and decided to launch the competition BRICSMATH.COM+. It was a preparatory round for students.

Students from classes I - XII participated in this competition with zeal and enthusiasm. They all received participation certificates.

### **UNICEF U Report India Covid 19 Quiz - 28 April 2020**

AIM and its partner - UNICEF through U Report India launched an interactive and informative quiz on COVID-19 for young people to raise awareness on this health challenge.

It encouraged the students of the ATLs to use this opportunity to test their knowledge, bust the myths and impart correct information and reinforce important messages to their fellow youngsters in a safe and responsible manner. Students from classes VI-XII took part in the competition and received participation certificates.

### **ATL Community Day Challenge- 1st May- 3rd May 2020**

ATL Community Day is celebrated on 14 May every year. An online challenge was organised by ATL to celebrate the day.

Under this challenge, students were asked to send creative ideas for achieving Sustainable Development Goals. Tanya of X A had sent her innovative ideas on the topic "3D Printing".

### **ATL Marathon - 6 May- 17 May**

ATL Marathon is organised by Atal Innovation Mission, Niti Aayog every year. The Marathon focuses on identifying a problem and developing innovative solutions that align with national agenda of creating a New India by 2022. It encourages students to develop problem solving, collaboration and creative skills.

In ATL Marathon 2018, we were in top 100 schools all over India. This time also in ATL Marathon 2019, we are in top 100 schools. Our students once again made the whole Golaya fraternity proud.

### **Astronomy Webinar Series - 30 May-7 July 2020**

This webinar series was a compendium of curated content on various 21st century skills, delivered by experts and content developers from AIM partners. These sessions have fostered peer-to-peer learning by allowing a limited classroom size and 2-way interaction with a teacher/facilitator.

Each day of the week was dedicated to one key 21st Century Skill such as IPR, Creativity, Digital Skills, Gaming, IoT and electronics, Mobile app development, Astronomy and many more. Atal Innovation Mission and Spark Astronomy organised astronomy lectures for ATL students and teachers. It was a set of 7 series of lectures which took the participants to a journey of exploration of the universe and gave an understanding of origin and evolution of the universe and the future of space exploration.

Many students of GPPS attended this webinar which was a great learning experience for all of them.

### **BRICS MATH- International Competition (19 October, 2020 - 20 December, 2020)**

The International Competition for Maths was conducted by Atal Innovation Mission on 19 October and 20 October, 2020 to enhance mathematical skills of the students. Students of classes from I to XII have participated in this competition.

### **Codeavour, 2020 AI/ Webinar for GPPS**

Codeavour 2020 AI is an international online AI and coding competition for students. Codeavour is hosted by STEMPedia annually to encourage kids across the globe to bring out their inner coder & make innovative projects using PictoBlox – widely-acclaimed AI-enabled graphical coding platform.

With the future belonging to fast-rising technologies such as artificial intelligence (speech recognition, face recognition, text recognition, and the like) and coding, it is important for students today to be proficient in them. Codeavour 2020 AI aims to motivate them to develop an interest in these technologies and prepare them for an AI-future.

Our school partnered with Codeavour 2020 AI. Many students from our esteemed organisation, GPPS, attended the online webinars which were organised by STEMPedia between 2 October, 2020 and 5 January, 2021. The aim of these webinars was to introduce the students to the concepts of block-based programming, game design, artificial intelligence and machine learning.

### **CODEAVOUR 2020 AI**

Our school partnered with CODEAVOUR 2020 AI with participation of more than 5400 teams from 98 countries.

It's a great honour for all of us as our school received 'EXCELLENCE IN ARTIFICIAL INTELLIGENCE' certificate and two of our students SAGAR TANWAR and ROHITESHWAR ATTRI received Certificates of Leadership.

Kudos to the young achievers.

### **AIM Innovation Program 3.0**

Educational Foundation "Talent and Success" (Sirius, Russia) and Atal Innovation Mission (NITI Aayog, India) have organised a 14-day virtual educational learning, innovation program for selected students from India and Russia. The program is focused on Developing Technological Solutions (Web-based and Mobile Applications) for the key Grassroot Problems linked with the big challenges of both nations. The educational program and Hackathon are designed to develop students' competencies in understanding 21st-century technologies and developing innovative engineering and technological projects to meet the challenges of sustainable development.

Sagar Tanwar of Class XI got selected in AIM Innovation Program 3.0.

### **ATL Student App Innovation Challenge, 2020**

Atal Innovation Mission, NITI Aayog has launched a nationwide initiative for students to learn Mobile App Development. Students attending this course will learn how to develop their own Mobile App (Android) / Web Apps. By building innovative apps they will be empowered to solve various challenges around them and contribute to the vision of an Aatma Nirbhar Bharat.

Plezmo App in collaboration with AIM took up the initiative to give a platform to the students of classes VI to XII to develop a mobile app and web app. Many students completed all the 6 courses and received certificates.

### **BRICSMATH+ Competition for Classes 1 to 12 class students (16 Nov-20 Nov, 2020)**

BRICSMATH+ is the 4th International Online Mathematics Competition for students from classes I to XII. 139 students took part in the competition. 21 students received achievement certificates and rest of the students received participation certificates.

### **Climate Change Challenge**

The Climate Change Challenge was organised by CSIR-Centre for Cellular and Molecular Biology (Hyderabad) under its Jigyasa Program for schools to create climate change solutions in their local surroundings.

The objectives of the challenge is to create local champions for climate change who can advocate for a more sustainable life through art, educate people about climate change through innovative games, understand the problems that arise due to climate change through research, and develop solutions through technology.

### **Young Scientist India – Innovation Competition - 15 December 2020**

‘Young Scientist India’ – the Innovation Competition is a novel idea to promote scientific temperament among high school students, to increase their understanding of science and to attract them into scientific careers.

Many students from Classes VI-VIII participated in this competition.

### **India’s Future Tycoons (IFT) - Season 3**

IFT is the national platform for young adults to showcase their ideas and build ventures. It works with youth across India to develop an entrepreneurial mindset, encouraging them to think about problems around them and take steps to create sustainable ventures. Atal Innovation Mission (AIM) is the ‘Knowledge Partner’ of India’s Future Tycoons (IFT) Season 3. The theme of the season was ‘Education Redefined’. It aims at getting brilliant ideas from students on how to reimagine education in the new normal-identifying problems in the current education system, converting them into opportunities and building innovative solutions to solve them.

Students of our school always show their eagerness for such activities and many of them sent their creative ideas for further consideration.

## National All Rounder Championship

National All Rounder Championship was organised by KidEx from 1 December to 15 December.

This is an event in which every child completes 30 age appropriate activities from their home across five development themes (cognitive, creative /imagination, socio/emotional, physical and language/ communication). 77 students took part in this championship.

## YOUTH FORUM SWITZERLAND

Global Change-maker Project is a unique opportunity to connect youth with leaders from across the globe. The event had grown overtime with YFS 2020 playing host to over 800 students from around Europe and USA.

**Chahel Baghel** from VI grade received participation certificate for her brilliant efforts.

**PTA Activities:** Parent Teacher Meeting was held on the last working day of every month. In these meetings, progress of the child in Academic, Co-curricular activities, Sports, etc. were discussed with the parents.

**Infrastructure Development:** The School has very good Infrastructure- two Computer labs in Senior Wing with 37 Computers and one Computer Lab in Junior Wing with 18 computers. All the classrooms (primary & secondary) are smart Classes for promoting ICT in teaching learning practice, four laboratories (Physics, Chemistry, Mathematics, Biology and Junior Science Lab), provision of safe drinking water, two Generators to provide uninterrupted power supply, solar panels in both wings, two basketball courts, one Table Tennis table, Kho-Kho, Volleyball court and ground for athletics, etc.

**Other Initiatives:** The School has functional Rain Water harvesting plants in both the wings & Vermi Compost Plant for conservation of Rain Water & production of Compost manure.

Like every year fire safety drill was held on the school campus to teach and train the teachers on how to handle fire safety equipment thereby ensuring safety of the students as well as staff and other employees of the school.

**Thanks:** During this year the school witnessed an overall progress of every child, be it academic, sports, or co-curricular activities in GPPS or outside GPPS. In all our activities, we have been guided and encouraged by the Management. I take this opportunity to thank the Management for his dynamic vision and excellent support. The members of School Management Committee, Parent Teacher Association have also been extended their valuable support and co-operation in enriching teaching learning experiences and school administration. I sincerely thank all of them for their unstinted support. I thank all the parents, members of staff, and the students too for their wholehearted cooperation and sincere efforts in making all the activities of the school very successful.
