

ATL Community Day

Introduction :-

ATL Community Day provides a platform for students, educators, mentors, and community members to come together and celebrate the impact of the ATL program in fostering creativity, problem-solving skills, and entrepreneurial mindset among students

Schedule:

TIME	Event
10:00 am	Welcoming of the Special guest, Principal and Participants
10:15 am	Address by the Principal
10:30 am	ATL tour
11:00 am	Showcase of the Exhibits made by the students
12.30 pm	Break
1:00 pm	DIY projects (for community students)
1:30 pm	Vote of Thanks with certificate distribution

Networking and Collaboration:

The event brings together students, mentors, industry experts, and government representatives, fostering networking and collaboration opportunities. This helps create connections between the education sector and the industry, promoting mentorship and exposure to real-world challenges.

GPPS, Palwal invited students and mentors from Govt. Middle School(GMS), Harinagar, Palwal as special guests for ATL Community day. The mentors shared their vast knowledge and experience with students and motivated and encouraged them to always be problem solver by their critical thinking.

Inspiring Other Students:

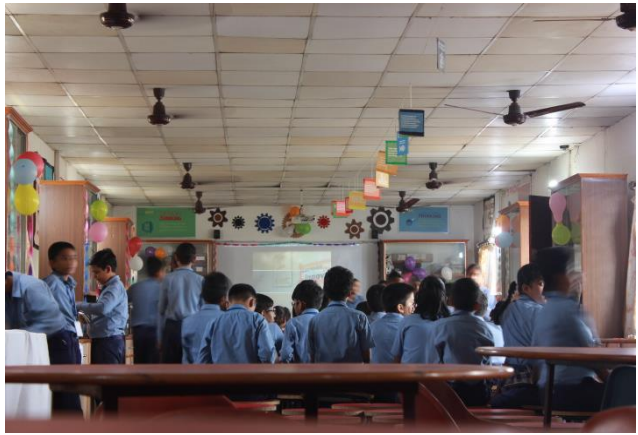

ATL Community Day serves as an inspiration for other students by showcasing the innovative projects and achievements of their peers. It encourages more students to explore and engage in STEM and entrepreneurial activities, fostering a spirit of innovation and problem-solving.

The students were taught about the circuits and its types. The demonstration was shown to them telling how they can build their own circuits. The students were helpful to each other and there was an environment of inspiration and curiosity among the students.

Strengthening the ATL Ecosystem:

By celebrating ATL Community Day, the ATL ecosystem is strengthened as stakeholders come together to reflect on the program's impact, identify areas for improvement, and collectively contribute to its growth and success.

Overall, ATL Community Day is celebrated to acknowledge and promote the innovative work of students, educators, and mentors involved in the ATL initiative. It aims to inspire, empower, and nurture the next generation of innovators and entrepreneurs while creating a supportive ecosystem for their growth
