International Day of UN Peace keepers(29/05/2021)

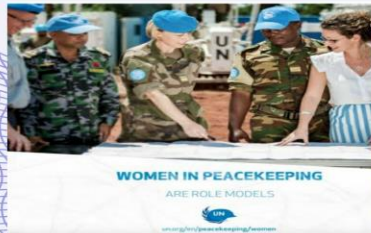

Activity - Poster making & PPT

International Day of

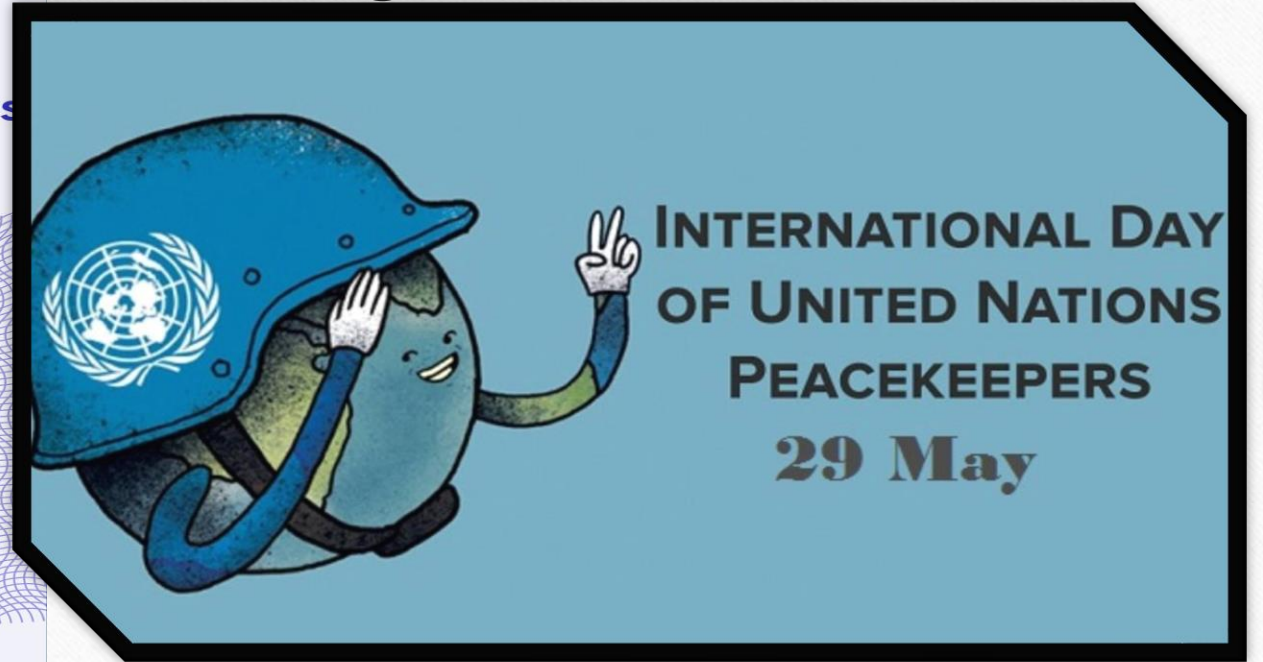

United Nations Peacekeepers

The International Day of United Nations Peacekeepers, 29 May, offers a chance to pay tribute to the uniformed and civilian personnel's invaluable contribution to the work of the Organization and to honour more than 4,000 peacekeepers who have lost their lives serving under the UN flag since 1948, including 130 last year.

This year, the challenges and threats faced by our peacekeepers are even greater than ever as they, like people around the world, are having to cope not only with the COVID-19 pandemic but also the continued requirement to support and protect the people in the countries in which they are based.
