

ANNUAL REPORT

Honourable members of School Management Committee, respected Members of Parents Teachers Association, Media friends, special invitees, parents, colleagues and dear children.

It is my proud privilege to present the Annual Report of the activities and achievements of the academic year 2021-22. It is rightly said 'True education is that which proves useful in life and makes you industrious.' Our school has been striving hard since its inception to achieve excellence in each and every endeavour through sincere efforts and mindful execution of different tasks and by providing right environment to the students for their all-round development. From a humble beginning in the year 1993, our school now enjoys the reputation as one of the best schools in Palwal District. The school has a clean and green campus with an excellent educational ambience and latest infrastructural facilities for all the students.

VISION

Where there is no vision, there is no hope. Our vision at GPPS is to help students grow up to be successful and socially responsible citizens of a fast paced and ever-changing world by imparting a mix of traditional and modern values inculcating a positive outlook, respect for life and nature, scientific temperament and societal harmony.

MISSION

At GPPS, our mission is to recognise, nurture and integrate the inherent talent of each student with best practices of quality education, making our students techno-savvy and culturally secure, thereby motivating them to constantly strive for excellence.

PHILOSOPHY

Aristotle rightly said, 'Educating the mind without educating the heart is no education at all.' We, at GPPS believe in inculcating values like empathy, compassion, respect for diversity and human dignity, respect for law of the land etc. in our students through value-based education.

STAFF POSITION

The school has a galaxy of highly qualified and well-trained teaching staff, one Yoga cum NCC Instructor, two Sports teachers and one part time Taekwondo Coach.

TEACHERS' TRAININGS

Our teachers regularly attend online Capacity Building Programs organised by CBSE and other agencies. This year, they attended Capacity Building Programs on different topics organised by CBSE and trained other teachers in the school. In-house trainings are organized from time to time to update them with latest changes in the field of education.

ART INTEGRATED LEARNING

As per the CBSE guidelines, the school has started Art integrated learning for all its students starting from Class I to XII. Learning through art enriches the experience of studying as well as it prepares students for life after school. Art integration helps in developing problem solving skills, motor skills, language skills, social skills, etc.

IN-SERVICE TEACHER TRAINING

In-service Teacher Training is a continuous process and practice in GPPS which promotes teachers' teaching skills and helps them master their subjects to make teaching more effective and interesting. In-service Teacher Training, in fact, is a key factor in educational excellence. Our school always encourages in-service training for teachers as it is an integral part of the working of school, as a result of it, its alumni are shining in their chosen fields.

PTA ACTIVITIES

Parent Teacher Meeting was held on the last working day of every month. In these meetings, progress of the child in Academic, Co-curricular activities, Sports, etc. was discussed with the parents.

INFRASTRUCTURE DEVELOPMENT

The school has very good Infrastructure - two Computer labs in Senior Wing housing 37 Computers and one Computer Lab in Junior Wing having 18 computers. All classrooms (primary & secondary) are smart classes for promoting ICT in teaching learning practice, five laboratories (Physics, Chemistry, Mathematics, Biology and Junior Science Lab), provision of safe drinking water, two gen-sets to provide uninterrupted power supply, solar panels in both wings, two Basketball courts, one Table Tennis table, Kho-Kho, Volleyball courts and 200 metre track for athletics, etc.

OTHER INITIATIVES

The school has functional rain water harvesting plants in both the wings & Vermi Compost Plant for conservation of rain water & production of Compost manure. Like every year fire safety drill was held on the school campus to teach and train the teachers on how to handle fire safety equipment thereby ensuring safety of the students as well as staff and other employees of the school.

CO-CURRICULAR ACTIVITIES

Our school gives due importance to CBSE calendar activities and conducts CBSE Expression series activities for the students and gets due appreciation for the same time and again.
