# ***First day of School***

The new academic session started from 1st April, 2025. Students were very excited to come to school with their new books, bags and stationery. They were full of new hopes for the upcoming session. The teachers have decorated the panel boards and planned fun-filled activities for the first day. There was a selfie point for tiny tots. It had a beautiful design and students joyfully clicked pictures in them.

# Baisakhi

Baisakhi is a famous festival celebrated in India. It is celebrated in the month of April. A special assembly on Baisakhi was conducted by Class VA students. Panel boards on the stage were decorated well and depicted the theme of the festival. Students delivered speeches and recited poems both in English and Hindi. They sang a beautiful song on Baisakhi. A group dance was performed on a Punjabi song. The assembly was so nicely conducted. All students enjoyed it and learnt more about the festival.

# Earth Day

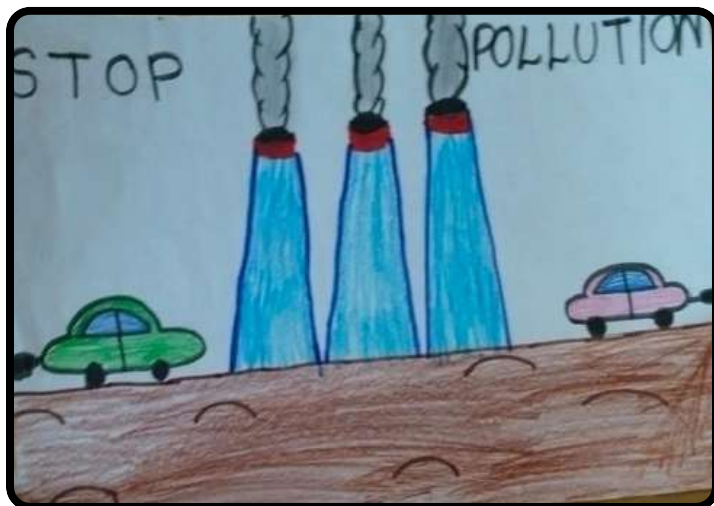

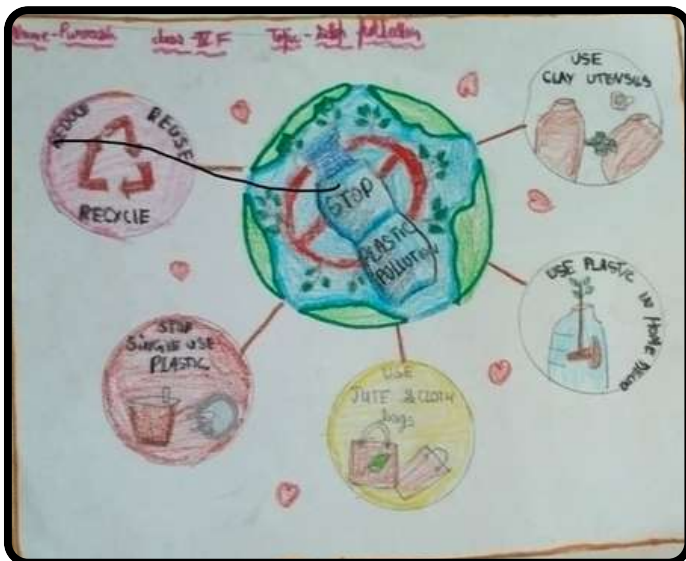

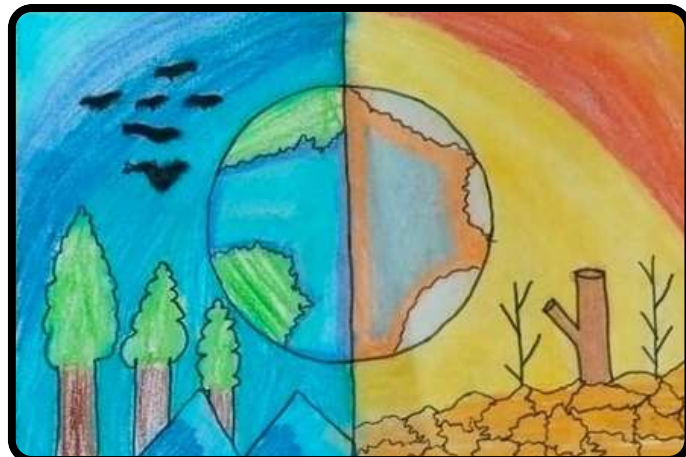

The Earth day is celebrated every year on 22nd April. It is the day that reminds us to take care of our planet. On this day, we learn to save trees, reduce pollution and protect nature. To strengthen this, the Earth day activity was conducted in our school on 16<sup>th</sup> April 2025. The event was a 'Poster Making Competition' for students of classes III to V. The theme was 'Our power, our planet'. Each class had a different topic. Class III made posters on 'Save Earth', class IV on 'Stop Pollution', and class V on 'Save Energy.' We brought our material and made colourful and meaningful posters during the activity period . It was a fun and creative way to learn how to protect our mother Earth .

# Summer Camp

**"Adventures Await  
to create Memories"**

Summer camp is a program often held during the summer break where children participate in various activities and develop new skills in a fun and engaging environment. Our school organised a Summer Camp this year from 19th May to 28th May 2025. There were activities like - Fireless Cooking, Theatre & Drama, Taekwondo, IT Club, Brain builders, Art & Craft, Painting and Dance Club. The participants enjoyed all these activities and learnt a lot from them.

# ***Environmental Pledge***

Our school observed the Environmental Pledge Day on 6<sup>th</sup> May. During the assembly, students and teachers together took the pledge to protect nature by conserving water, saving electricity, reducing plastic use, planting trees, and keeping the surroundings clean. A plantation drive was also organised reinforcing the commitment to build a greener and healthier future.

# ***CACA Project Planting Trees***

## **CACA Project: Trees for a Safer, Greener World**

The Children Against Child Abuse (CACA) project not only spreads awareness about child safety but also motivates students to create a safe and healthy environment. As a part of this initiative, our school organised a joyful tree plantation drive. Students eagerly dug the soil, planted saplings, and watered them with care. The experience taught them the importance of trees as our best friends, giving us shade, oxygen, and beauty. Planting together filled the students with pride and hope for a greener tomorrow.

🌱 “Plant today, breathe tomorrow!”

# ***Teej Activity***

Teej is a festival of kites and swings. On 23<sup>rd</sup> July we celebrated Hariyali Teej in school. Students made some henna designs, swings and kites. Kite flying is enjoyed by everyone. Students made beautiful and colourful kites with paper and thin sticks. We made paper plate swings with cardboard, wooden sticks and branches of trees. Students played with swings. All students were very happy and joyful while making these activities and felt connected to our culture and festivals.

# ***Save Dolphins, Save Oceans***

Dolphins are intelligent and social marine animals that play a vital role in maintaining the balance of ocean ecosystems. However, their number is decreasing due to pollution, fishing nets, loss of habitat, and climate change. Saving dolphins is important not only for their survival but also for the health of the oceans. So our school organised a 'Poster Making' activity based on the theme- 'Save Dolphins' on 9th July 2025. We enjoyed this activity a lot and made beautiful and creative posters. We also learnt the importance of protecting dolphins and keeping oceans clean by this activity.

# ***Rakshabandhan***

Raksha Bandhan is a special festival which celebrates the bond of love between brother and sister. The term 'Raksha Bandhan' means the bond of protection. Students of Balvatika 1 and 2 had a 'Rakhi Making' activity in school. They made beautiful rakhis with stones, threads, beads, fabric and decorative items. They were so happy and proud to make the rakhis on their own. Students carried these rakhis to their homes and were excited to use them on the festival.

# ***Independence Day***

Independence Day is celebrated on August 15 every year to commemorate the nation's freedom from British rule in 1947. This day marks the end of the British Raj and the beginning of India as an independent nation. People in India celebrate Independence Day with patriotic fervor, participating in flag hoisting ceremonies, cultural programs and educational activities. The day was celebrated with great fervor and enthusiasm in our school. Students performed patriotic dances, sang patriotic songs and delivered speeches signifying the importance of the day. All the students and teachers liked and enjoyed the celebration and appreciated the performances.

# ***Bagless Day***

Bagless day is a day in school when we do not bring our school bags but still have joyful learning. On this day , we learn through fun activities instead of regular classes. It makes school more joyful and interesting. On bagless day in Balvatika ,children had many exciting activities to do. First ,they enjoyed kite making and decorated kites with bright colours. Then they took part in drawing beautiful and colourful pictures . They also did a balancing activity ,which made them active and improved their focus. Puzzle solving activity was very interesting and helped them to think quickly. They built different shapes and towers using building blocks ,which improved their creativity. At the end they had a music and dance session where they sang songs and danced with their friends. It was a day full of enjoyment and learning without carrying bags.

# ***Fine & Gross motor skills***

## **Gross Motor Skills**

Gross motor skills are the skills developed by the movement of the large muscles of the body. Students developed these skills through fun and playful activities. These included jumping, climbing, dancing and balancing. These activities helped children improve their body strength and coordination. Development of gross motor skills is important for students' overall physical growth and stamina.

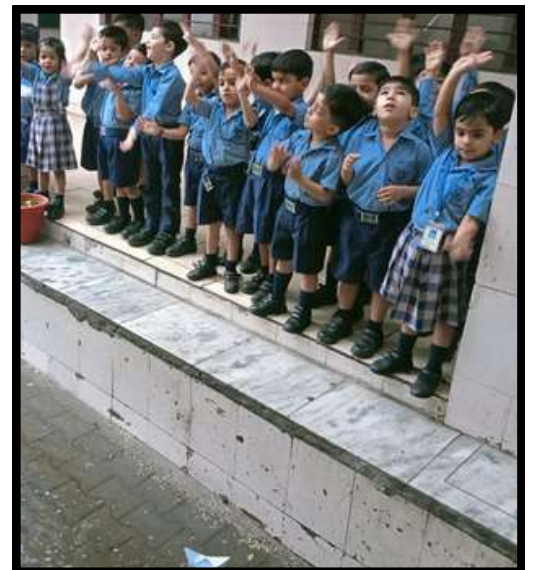

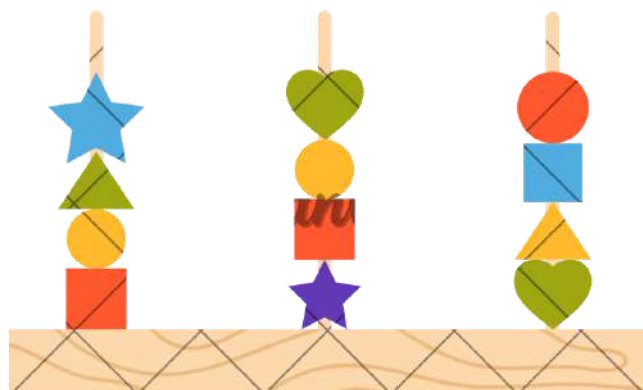

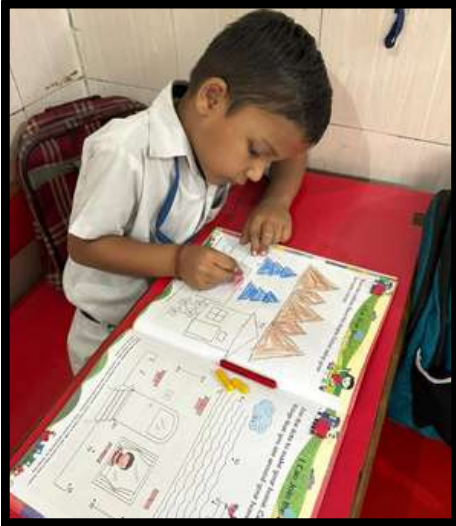

## **Fine Motor Skills**

Fine motor skills are the skills developed by small movements that use the muscles of the fingers, hands and wrists. Students developed their fine motor skills through activities like colouring, paper folding, painting and picking small objects. These activities helped children improve their hand and eye coordination. Fine motor skills are important for doing routine tasks independently.

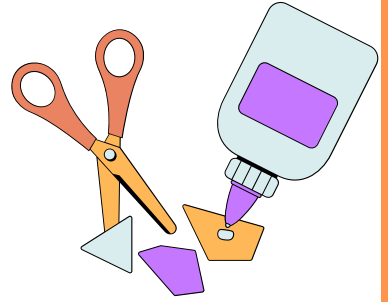

# ***Art & Craft*** ***Activity***

An Art and Craft activity was held for the students of class II. They did origami craft and made beautiful paper designs. Students learned to make different shapes using paper. This activity helped them improve their fine motor skills.

### ***Campaign 2025***

Our school organised a rally campaign on the theme “Say No to Plastic” on 20th September. The tiny tots of the junior classes participated with great enthusiasm. They carried colorful placards and banners with slogans like “Say No to Plastic, Yes to Life” and “Plastics are bad, make Earth glad!”

The children marched around the school campus, spreading the message of avoiding plastic and using eco-friendly alternatives. Their sweet voices and energetic slogans attracted everyone’s attention. Teachers appreciated the efforts of the little ones in creating awareness.

The rally ended with a collective pledge to reduce, reuse, and refuse plastic for a cleaner and greener Earth.

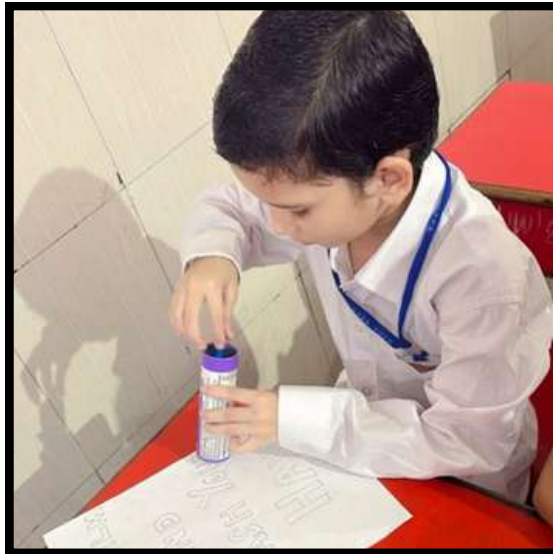

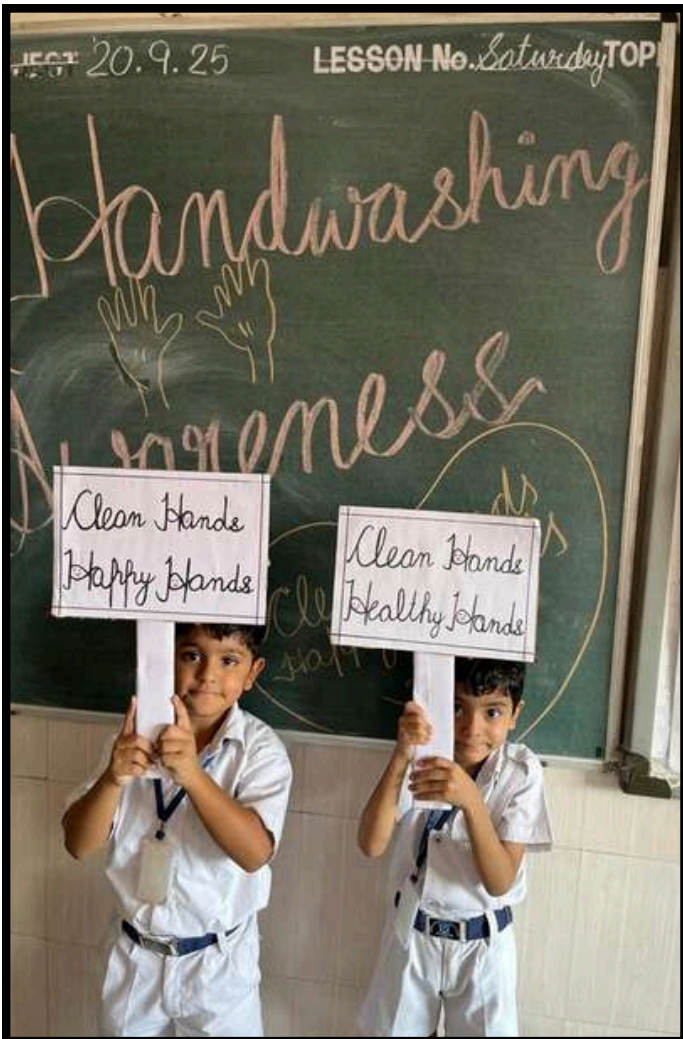

# Say 'No' to Plastic Rally

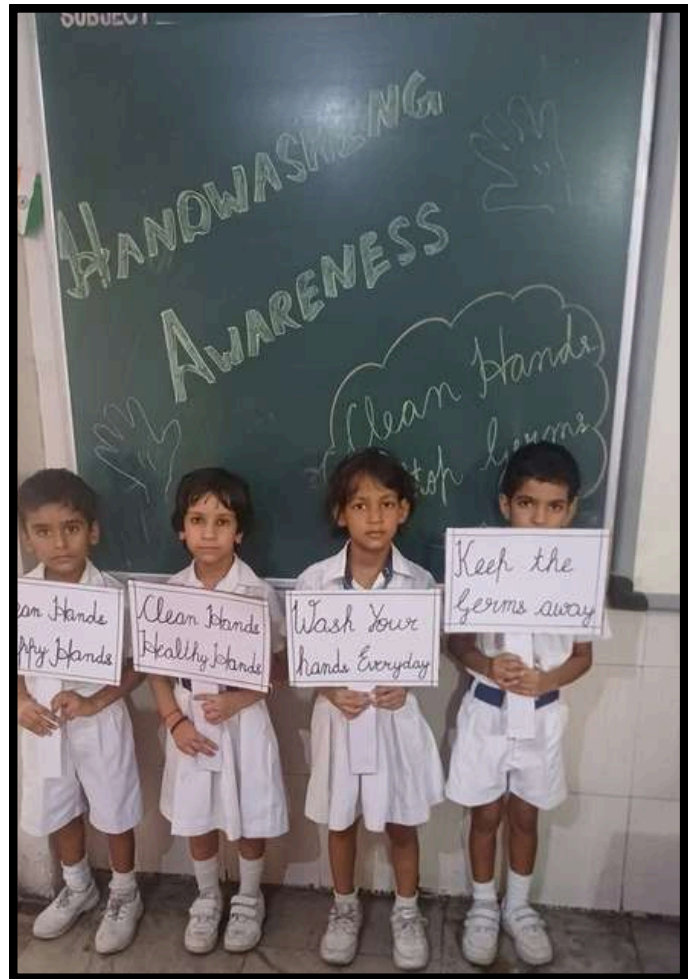

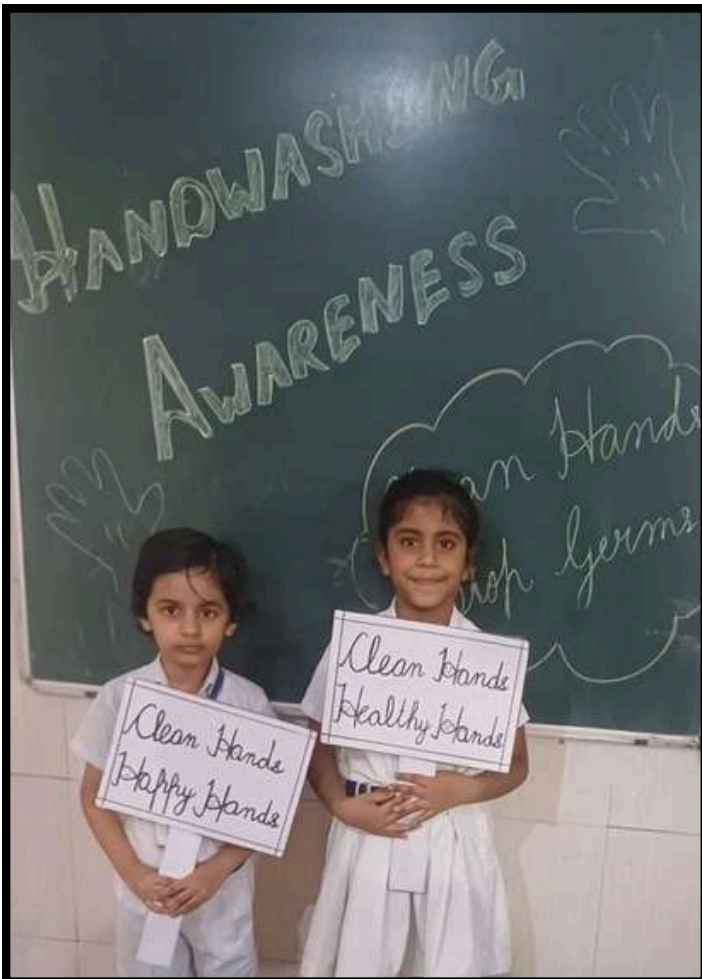

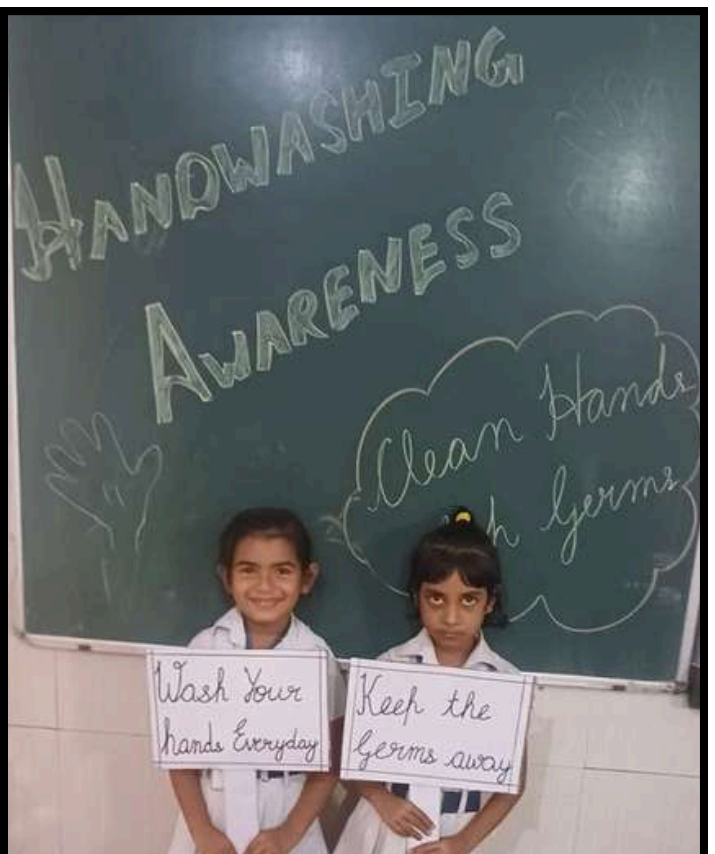

# ***Handwashing Awareness Rally***

Cleanliness campaigns are important because they promote better public health by preventing diseases. Handwashing is crucial because it is a simple, effective way to stop the spread of germs. To promote this habit, we organised a Rally on Handwashing Awareness for our Balvatika students under the CBSE Expression Series- 'Swachhata Hi Sewa' campaign. The activity helped our little ones to understand the importance of clean hands for a healthy life and to promote good hygiene practices among them. The rally aimed at educating students about the importance of handwashing in preventing the spread of diseases. This rally encouraged our students to spread the message – “Clean Hands, Healthy Life!”
